- If this authority is cancelled, I acknowledge that such cancellation will not automatically cancel the Contract and I/the member will remain liable for the payment.
- I acknowledge that the bank may charge additional fees for resubmission.
- I acknowledge that I am not entitled to any refund while this authority is in force, if such amounts were legally owing to Virgin Active.
- I authorise Virgin Active to disclose to any credit bureau any information concerning this credit profile and payment history.
- The debit will appear as "Virgin Act" on the account holder's bank statement.
- The bank details provided must be for a branch in the country of your home club.

### F acceptance of terms & conditions, medical risk and disclaimer

**Terms and Conditions:** I apply to become a member of Virgin Active from the Start Date and for the duration of my Commitment Period. When my Commitment Period ends, my membership will automatically continue on a month to month basis, unless I tell Virgin Active that I want to cancel. If I cancel before the end of my Commitment Period, a cancellation fee is payable.

I understand and acknowledge that my membership is subject to the full terms and conditions, the Privacy Policy and The Rule book, all of which can be viewed via Virgin Active's website. Virgin Active may cancel my membership if I do not comply with my contract. If this contract is in the name of my Minor Child: By signing as Parent/Legal Guardian, I confirm that I agree to the Terms and Conditions and Accept the Medical Risk and Disclaimer on behalf of the Minor Child as well.

**Medical Risk:** Please carefully consider the following questions: Has a doctor ever said that you have a heart condition or any other chronic medical condition and recommended only medically supervised activity? Do you have chest pain brought on by physical activity? Have you developed chest pain in the last month? Have you on one or more occasions lost consciousness or fallen over as a result of dizziness? Has a doctor ever recommended medication for blood pressure or a heart condition? Are you aware, through your own experience or a doctor's advice of any other physical reason (including pregnancy) that would prohibit you from exercising without medical supervision? Do you have a bone or joint problem that could be aggravated by the proposed physical activity? If you answered YES to any of these, we strongly recommend that you obtain medical clearance before starting to exercise.

There are risks associated with exercising and using gym equipment which can result in serious injury and even death. I accept responsibility for such risks. It is recommended that I seek medical advice before I start a new exercise regime and that I always exercise to a level that is appropriate, given my knowledge of my health and any medical advice that I have obtained. I accept all risk and responsibility for nutritional, exercise or any other advice or plans that may be recommended to me.

**Disclaimer:** I understand and agree to the following disclaimer: To the fullest extent permitted by law, Virgin Active South Africa (Pty) Ltd or Virgin Active Botswana (Pty) Ltd, as the case may be, or any of their direct or indirect international affiliates who may give you access to their facilities as a result of this Contract, and/or their directors, employees and independent contractors (collectively, "Virgin Active") shall not be liable for any loss or damage whatsoever and howsoever arising (including from any nutritional, exercise or any other advice) suffered by me or any of my dependents, including (without limitation) loss or damage to person or property from a negligent (other than a grossly negligent) act or omission of Virgin Active, other members or guests.
