Subject: Introduction to Londa Mutomba NPO

Dear Circuit Manager, Ms Rikhotso

I hope this letter finds you well. Special welcome to Vhumbedzi Circuit.

I am writing to introduce Londa Mutomba, an organization dedicated to providing education opportunities to children in rural villages. For the past ten years, we have worked closely with schools in the circuit, running various initiatives aimed at supporting literacy, academic growth, and student development.

Our programmes include activities such as the Spelling Bee competition, Battle of the Books and Chess which encourage students to improve their vocabulary and confidence.

As we continue our efforts, you may hear schools mentioning our organization and its activities. We wanted to ensure you are aware of who we are and the work we do within the schools. 2025 programmes are already underway.

We would also welcome the opportunity to meet with you to discuss our programs in more detail and explore how we can continue to support schools in the circuit. Please let us know if a meeting would be of interest to you.

Best regards,

Gudani Nangammbi
